PRIMARY TO HIGH SCHOOL WORKSHOPS • ALL SUBJECT AREAS

DAY 1

Writing Workshop 101

Master how to teach fluency, improve structure, fix waffle, deepen analysis, and build student confidence.

The Sentence Train

Bet you never done this with a train before: come and learn this revolutionary new technique for teaching sentence writing—the boys in your class will love you for it.

WTE Online Writing Tool

The online world just got even better. Jump online—yes, we already have your licence sorted—and explore the world of WTE online with one of WTE’s master teachers.

Make Creative Writing Fun

Stuck for things to do in your classroom? This workshop is rocket fuel for teachers wanting to spice up creative writing.

DAY 2

Paragraphing & Precision

Spend a day learning how to teach superior paragraph structures that eliminate dull writing and demonstrate deeper thought. Discover why PEEL and TEEL are causing your students to underperform. Fix precision and banish creative writing blues.

Improving school-wide writing culture

What to do—and what not to do—if you are going to transform writing outcomes across your school or COL.

Report Writing

Need to write a report? This is the essential section-by-section guide. Social studies, PE, Business, Science, Technology, Art: you name it, we can report it.

Keynote sessions TBA.
